

Daily Activity Details:

Day : 06

Date: 16/10/22

Activity Details of the day

Information recorded: (this includes activities of the day and the adequate information to be written in a paragraph)

Day 6th it was an Sunday. Lots of assignment were and some project were given to complete. So I spend my time working on that. I have created my own website using github account, and I have downloaded some of the website template, and I have add it my own information. And profile and CV, and also edit my template by using HTML and CSS. In that any can see in their phone. and also I have add my diary into the github account. it was an wonderful day by working with github and receiving my work which is done past.

Drawings, sketches, graphs & Data recorded:

download template

→ Edit profile

→ Push to github

→ Send mail

16/10/22

Recording Techniques used: Audio/Visual-Photos, Videos, etc.,)

Project completion, Laptop working

Summary :

It was an amazing experience I felt if I felt very happy that I have edited my website & created my own website and my friends had helped me to prepare the project.
